GDP-3D Borehole Survey Tool

--Digital Multi-Shot Inclinator

Key Features:

- Easy to operate
- Durable and robust
- Completely water proof
- Real time survey , Multi-Shot

Technical Specification:

Dip (inclination):	0° -- 80°	Accuracy:	±0.1°
Azimuth:	0° -- 360°	Accuracy:	±3°(typical @dip≥4°)
Resolution:	Azimuth : 0.1°	Dip : 0.01°	
Endurance:	About 20 hours		
Pressure:	250 bar		
Dimensions:	Diameter Ø40 mm, Length 1230 mm, Weight 6 kg		
Temperature:	Operating -10°C -- +60°C Storage -25°C -- +75°C		
Power Supply:	Rechargeable lithium battery pack Controller: 4 AAA size batteries
